

Dear Hornet Families,

This summer we are encouraging all Kealing Hornets to take the Kealing Summer Reading Challenge. Students who read over the summer stay mentally sharp, return to school prepared, and are primed to connect with their school community. Reading every day can make a difference.

We are challenging all Kealing students to commit to reading at least 20 minutes per day this summer. Participating students will be eligible for tiered prizes at the beginning of the fall semester. Over the next few weeks, students will have the opportunity to sign the summer reading pledge and receive a copy of the summer reading log to be returned to the library by August 29, 2016.

All members of the Kealing Community are encouraged to take on the challenge, so parents, teachers, and Kealing friends are encouraged to join us. Share what you are reading on Social Media with **#KealingSummerReading**

There will be a "book drop" location in the Program Office and the Library for those who would like to donate new or gently used books for students who would like to take them home. Attached is a list of suggested books that you might have at home but feel free to think beyond this list. Please send in all donations by May 23, 2016.

The challenge begins on June 6! Happy Reading!

Kealing Middle School Staff
