

# Facility Master Plan Regional Meetings

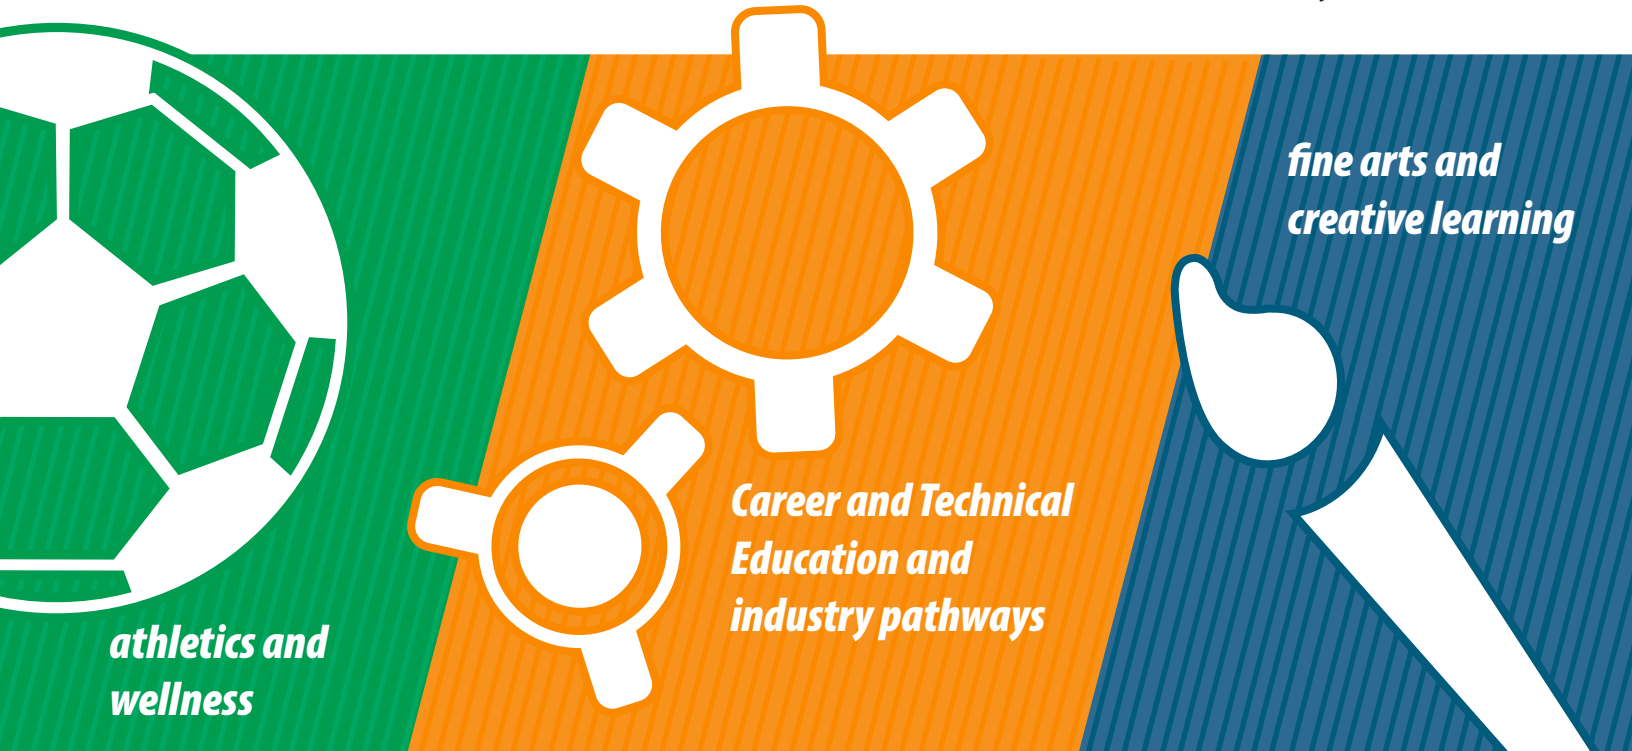

***Help us shape our #AISDFuture.***

Austin ISD is embarking on its update of the Facility Master Plan, a long-range roadmap to modernizing all district facilities. We want your feedback on how the district can best support and strengthen priorities in the areas of:

- athletics and wellness;
- Career and Technical Education and industry pathways; and
- fine arts and creative learning.

**Take our community survey!**

**Learn more and help us shape our #AISDFuture at the following regional meetings:**
